ACADEMICS

Rockvale Ravens Softball members are expected to be students first and athletes second. Each member of the team must maintain their grades throughout the school year to stay on the team. The coaching staff has the right to suspend players from games or practices as needed based on grades.

TRYOUTS

The coach will pick the team based on their performance at tryouts. There is no guaranteed roster spots. Tryouts are closed meaning only players can be in attendance. Parent can NOT attend.

Please use the QR code to complete our interest form if interested in summer tryouts.

FUNDRAISING

Fundraising is a vital part of the success of our program. We will have two or three fundraising activities throughout the year that players will be expected to take part in.

Last year we were able to get new dug out roofs and a new pitching machine.

This year our goal is a load of infield dirt and tarp.
